

## Local area co-operation

KHT appreciates that we cannot work in isolation to improve our neighbourhoods and we have agreements in a number of areas to demonstrate our commitment to partnership working.

We work with the other members of the Local Strategic Partnership (LSP) to ensure that Knowsley priorities are being met. We will continue to work with our partners in the following ways:

- \* *We will work as a development partner with KMBC to build new homes and regenerate neighbourhoods.*
- \* *We will work with KMBC to support their housing strategy and deliver a choice based lettings system for the Merseyside area.*
- \* *We will work with all appropriate agencies to tackle ASB in our communities including working with:*

KMBC Merseyside Police Fire Service Family Intervention Project Youth Offending Scheme Other landlords operating in Knowsley.
--

- \* *We will work with KMBC to support the LSP's Sustainable Community Strategy in particular by promoting Social Enterprises.*
